

CONTINUING EDUCATION FOR DOCS

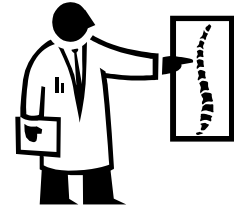

THAT'S ACTUALLY FUN!

**What: “RADIOLOGICAL AND CLINICAL UPDATE”
and Annual Challenge of the Unknowns—Edition 18
(2nd offering)**

**See 25 cases presented as they would be in your office!
Challenge yourself to make the diagnosis!**

This 12-hour imaging seminar is designed to help doctors:

- remember things you've forgotten—keep your diagnostic skills sharp
- Improve film quality
- Improve skills related to alternate forms of imaging
- update yourself on new developments in health care
- be sure about what looks safe and what looks dangerous
- reduce malpractice risk

All while enjoying a really great class!
